

To whom it may concern,

I was Elyse's employer when she was my animation/storyboard intern in the spring of 2019 at Bold Soul Studios. Her duties were to storyboard several short form animation projects over several styles and genres. She is an incredible artist and is able to adapt her drawing style to fit the style of the characters and show. Her time management is impeccable as she was able to complete each assignment with little oversight from me and turned in each project before each deadline. I knew I could trust her to finish a project without me checking in to make sure she was working. Yet, she would never shy away from asking questions about the project to make sure she was completing the project correctly. She was a fabulous worker and I look forward to working with her again in the future.

Sincerely,

Lily Streiff
